September 2, 2021

Dear Bulldog Family,

Due to the climbing number of positive Covid-19 cases in our community, after consulting with local health officials, and in accordance with public health guidance, **Jasper Independent School District will cancel classes from September 3, to September 12, 2021.**

All extracurricular activities, games, and practices will be canceled for this closure period. We will resume classes on Monday, September 13, 2021.

This closure will allow infected individuals the proper time to self-quarantine and recover. During this temporary class cancellation, we are asking that parents be responsible and keep their children at home, monitor their health, and not allow them to gather in groups.

No remote instruction will be provided during this period. Please understand this decision was not taken lightly but based on our current numbers, closing now will help us to mitigate the spread of COVID-19. Our maintenance staff will use this time to deep clean all facilities. We encourage you to monitor your email, text, our social media pages, our JISD website, and local media for other information should it need to be shared.

Stay safe,

John Seybold
