

JISD Parents and Guardians:

Please continue to complete the required health screening of your child every morning prior to him/her going to school or getting on the bus.

- If you answer “yes” to any of the screening questions, please keep your child at home.
- If your child shows any of the COVID-19 symptoms while at school, he/she will be sent home.

The symptom(s) may not be COVID-19 related, however we are following Texas Education Agency (TEA) and Texas Department of State Health Services’ (TSHS) guidelines. Our goal is to keep all of our JISD community safe and healthy. Thank you for your efforts of helping us strive for this goal. Also, thank you for understanding that during these uncertain times, we are all in this together.

If you have any questions, please contact your child’s school nurse or an administrator.

STUDENT SCREENER FOR COVID-19	
Parents must ensure they do not send a child to school on campus if the child has COVID-19 symptoms or is lab-confirmed with COVID-19. The screening questions below will also be asked of parents who drop off or pick up their child from inside the school. If you are unable to check temperatures at home, please report to the school nurse when you arrive onsite.
