

STUDENT SCREENER FOR COVID-19

Parents must ensure they do not send a child to school on campus if the child has COVID-19 symptoms or is lab-confirmed with COVID-19. The screening questions below will also be asked of parents who drop off or pick up their child from inside the school. If you are unable to check temperatures at home, please report to the school nurse when you arrive onsite.

Yes	No	
		Are you lab-confirmed with COVID-19?
		Have you been tested for COVID-19 in the last 2 weeks?
		In the past 14 days, have you had close contact with an individual who is lab-confirmed with COVID-19?
		Have you recently begun experiencing any of the following in a way that is not normal for you?
		<ul style="list-style-type: none"> • Feeling feverish or a measured temperature greater than or equal to 100°F • Loss of taste or smell • Cough • Difficulty breathing • Shortness of breath • Headache • Fatigue • Chills • Shaking or exaggerated shivering • Significant muscle or body aches • Sore throat • Congestion or runny nose • Diarrhea • Nausea or vomiting

If the student or parent answered yes to any of the above:

- The student must remain off campus until cleared to return
- Isolate the student and notify a parent to pick up the student as soon as possible
- If lab-confirmed for COVID-19, the parent must follow up with campus principal or designee before student can return to campus

It is also recommended that you consult with your health care provider.

Reminders to follow if you are cleared to return:

- Wear a mask or face covering if age 10 or over or in 4th grade or above
- Wash your hands or use hand sanitizer regularly
- Practice social distancing of at least 6 feet

This form must remain confidential. Any form with a yes response will be destroyed once response is addressed.
