**What is School-Family Compact?**
At Jasper High School, we strive to achieve and maintain the highest level of excellence to ensure the success of every student. We seek to become and maintain the highest performing campus in JISD. We value quality instruction, student achievement, professional development, parent and family engagement, and our community partnerships. This School-Family Compact outlines how the family, the school staff, and the students will share responsibility for improved student academic achievement. It is our goal to build and develop a partnership between the school and the families to help our students to not only achieve academic success, but also prepare them to take on the challenges of anything that is placed before them!

**Communication About Learning**
At Jasper High School, we want you, as parents and families to feel welcome and comfortable with our faculty and staff. We ask that you partner with us to help your child become a well-educated member of society who is ready to take on the challenges of their chosen career path.

Please “friend” our Jasper High School Facebook page as well as our school website.

Facebook

Feel free to contact our parent liaisons with any questions or concerns you might have.
- Jeff Hicks  jhicks@jasperisd.net
- Jimell Powell  jpowell@jasperisd.net

---

**Jointly Developed with Families**
Jasper High School invites you to help us make our school be all that it can be! We invite you to join us in preparing your students for their future. We want to feel comfortable coming to our school and events. We want to have input in how you students best learn.

JISD Goals for Student Achievement

DISTRICT Goals

Goal 1: Jasper ISD will increase Academic Achievement and Performance growth of all students through technology and use of relevant data to adjust instruction and ensure that students are college and/or career ready.

Goal 4: Jasper ISD will increase parent, community, and business involvement in the educational process of children.

BOARD Goals

Goal 2: By 2020-21, JISD will develop CTE programs that will advance students enrolled in CTE from no students earning state certifications to at least 15 students earning state industry certifications.

Goal 3: By 2020-21, JISD will increase college, career, and military readiness for all students through Advanced Placement and Dual Credit College Readiness standards.

SCHOOL Goals

The Mission of Jasper High School is to provide an excellent education for all students.

The Vision of Jasper High School, in partnership with parents and the community, is to educate with compassion and dedication so that every child can be successful.

Scholars

We, as scholars, will share the responsibility to improve our academic achievement and hold high standards throughout the school year by:

1. Come to class on time and be prepared
2. Give best effort on all assignments and projects
3. Complete and turn in all homework when it is due
4. Respect ourselves, peers, and adults in the school
5. Communicate with family about notices and information received from the school

Parents and Families

We, as parents, will support our children’s learning in the following ways:

1. We realize the need to be involved in their education, both academically and socially. We want to build a platform to ensure their future success in their chosen pathway.
2. Send our scholars to school every day and monitor their attendance
3. Help scholars meet their responsibilities by supporting campus and district policies
4. Be an active participant in our scholars learning process by talking to and ensuring they are on track
5. Communicate with educators about their scholar’s strengths and needs
6. Attend parent conferences and campus activities and include scholar as necessary

IN THE CLASSROOM - Teachers

Jasper High School will:

1. Provide high quality curriculum and instruction in a supportive and effective environment that provides opportunities to excel by creating learner centered classrooms. Develop critical thinkers to build strong communication skills and be adaptive to our ever changing society.
2. Hold parent-teacher conferences to discuss the individual student’s progress. Conferences will be held on an as needed basis and scheduled by the teacher and/or parent in addition to parent conference days.
3. There will be a minimum of three scheduled opportunities to meet with the teachers. Teachers will be made available, with reasonable access to meet with family and scholars.
4. Provided parents opportunities to volunteer, participate in their child’s class, and observe classroom activities. Parents and families are encouraged to get involved in our JHS Pride organization.
5. Provide parents with frequent reports on their children’s progress. Progress Reports come home on the Wednesday of the 4th week and Report Cards on the Friday after the end of the 6th week.
6. State expectations on behaviors and academics and be consistent.
7. Inform parents proactively and pre-emptively about scholars’ activities, behaviors, and academics.

Scholars

We, as scholars, will share the responsibility to improve our academic achievement and hold high standards throughout the school year by:

1. Come to class on time and be prepared
2. Give best effort on all assignments and projects
3. Complete and turn in all homework when it is due
4. Respect ourselves, peers, and adults in the school
5. Communicate with family about notices and information received from the school

Together, We Can!
